Notes from the Last Meeting

Good to welcome the Lambert family, and great to see Gus safely back from London again.

I understand that **Rob Cox** is continuing to progress well following his triple by-pass surgery and is now out of hospital and staying at his daughter's home in Sydney.

We have been asked to host the **MHERV van** once again (Mens Health Education Rural Van) on Fri 27-Sat 28 September. **We are needing someone to host Rob the nurse on Thurs through to Sat nights.**

Correspondence included a renewal of a deposit account at the Regional Bank, and an invitation to attend their Presentation evening on Mon 16 Sept. Also some information about Safe Walking for Seniors - see Lindsay for details.

Jim reported on a telephone conversation with former member Geoff McPhee who is going well on the Gold Coast.

Bookshop - we are needing someone for Wed afternoon and Saturday this week.

Speakers

Hugh gave a very interesting account of his life's journey so far, accompanied by some great slides from the different stages in the various countries in which he has lived. (My personal favourite was the portrait taken around the time of his graduation, complete with twirley ends to his moustache!!) He has certainly travelled some intriguing paths, quite different from those taken by most of the rest of us.

Thought I might show you a photo of Hugh and Lindsay enjoying some 'breakfast to go' at a market in Salzburg during our recent trip in May. Great times!

Guest Speaker Gus Lambert

Right at the point of delivery, Gus had a mini disaster with his Powerpoint presentation so we were not able to see his well-organised (but unsaved) collection of photos of his time in London, but he clearly had a wonderful time and learnt a great deal about many different aspects of cutting edge science. We will look forward to hearing from him again when he comes up for air after his HSC exams are finished.

Meanwhile he maintains his keen interest in a career connected to aeroplanes, and now has his solo pilot's licence. He will also be a staffer at the next NYSF in January, this time in Brisbane, since Jarrod will be undertaking an administration job at the same time with NYSF in Canberra. So much to look forward to!

Ian's Meeting Format:

- Week 1:** *Business Meeting with a speaker – good night for prospective members*
- Week 2:** *Club Meeting – business only, followed by a Board meeting*
- Week 3:** *Vocational Meeting - speaker or visit - good night for prospective members*
- Week 4:** *Breakfast Meeting – moving around town - good for prospective members*

*When we have **5 Mondays in a month** we will have a family and guests' night – sometimes trivia, sometimes games, sometimes a Rotarian talking about a Rotary Project – bring your families and prospective members along.*

*On the 3rd Month there will be a **Club Assembly** for the 2nd meeting preceding the board meeting*

CLUB MODELS

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves. The criteria for membership are simple. For Rotary clubs, a member needs to be an adult — or for Rotaract clubs, a person age 18-30 — who demonstrates good character, integrity, and leadership; has a good reputation within their business or profession and community; and willing to serve in the community or have an impact elsewhere in the world. All clubs share similar values and a passion for service, but no two clubs are the same because each community has its own unique needs.
